Happy Canada Day!

Weapon of War

by LAURA-LYNN TYLER THOMPSON
Co-host, *The 700 Club Canada*

If you feel like you are in a battle today, there is a weapon you can engage when you are in a vicious spiritual war. This is highlighted in an incredible story of victory in the Old Testament.

The Moabites and Ammonites assembled their armies to come against the children of Israel. A man named Jahaziel was overcome by the power of the LORD and brought a word from God.

He said in 2 Chronicles 20:15, "Do not be afraid or discouraged because of this vast army. For the battle is not yours, but God's" and in verse 17 it says, "You will not have to fight this battle. Take up your positions; stand firm and see the deliverance the LORD will give you. . . . Do not be afraid; do not be discouraged."

Now here is the amazing part of the story, the next morning King Jehoshaphat told the people to "have faith in the LORD your God and you will be upheld." And he appointed men to sing to the Lord and to praise him as they went out at the head of the army, saying, "Give thanks to the LORD, for his love endures forever." Verse 22 goes on to tell how they began to sing and lift their voices in praises to the LORD, who then defeated their foes by setting up ambushes against the enemies.

This is our secret weapon. When we begin to praise and worship God, He fights our battles for us and victory is placed in our hands.

Faith Week

JULY 8-12

Dr. Andy Bannister

Canadian Director for RZIM Canada will be joining us this week for a look at five different faith groups represented in today's Canadian culture. He travels regularly throughout Canada, speaking about issues relating to faith, culture, politics and society, addressing audiences of Christians, those of all faiths, and those who have no religious affiliation.

Wagdi Iskander

Born into a Bedouin Arab family, Wagdi was raised as a Muslim in the Sudan. After accepting Jesus Christ as Lord in 1982 he was persecuted and then arrested along with two Christian friends for refusing to renounce Jesus as Lord. All three were sentenced to die. His friends were executed but when they came for Wagdi he made a miraculous last minute escape and went into hiding. In 1988 he came to Canada and has pastored Arabic churches in Calgary and Edmonton.

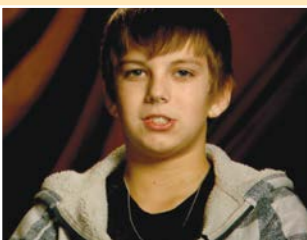

A Journey of Faith

JULY 15-19

Harold "Lefty" Williams

Harold 'Lefty' Williams, former Harlem Globetrotter, learned early in life that to get what was divinely meant for him he had to be obedient and follow God's will. It has been obedience to God that brought him to Port Alberni BC as Youth Pastor at Jericho Road church. His desire is to share with the youth of today that a Delay Is Not A Denial. This week 'Lefty' and Associate Pastor Dave DeJong will be discussing their journey of faith.

Hearing God's Voice

700 Club Canada Partners Reach Out in Love

"I was hungry and you fed me."

Our nation has been touched by God in so many ways. Here at CBA it is our desire to reach out and minister to the lives of those all across Canada who are in great need. This is where you come in. Through your partnership, the gospel is spread across the country and is brought into prisons, the inner cities, and places where lost individuals may never have otherwise had the opportunity to hear the Good News of Jesus Christ.

Often, people's physical and emotional needs are so great that those must be fulfilled before they can open their hearts to their spiritual needs. And thanks to you, those needs are being met. Recently, The 700 Club in Canada partnered with The Clothing Mission to provide clothing to a native community in Quebec, north of Ottawa. With your help, we were able to not only bring clothing and warm coats to those who needed them the most, but also food to feed the hungry.

Jesus said in Matthew 19:14, "Let the little children come to me," and that is exactly what our aim is through our *Superbook* ministry. This summer we are planning several new *Superbook* outreaches, which will be held in many different cities and towns. None of this would be

possible without the support from partners like you. It is our prayer that hundreds of children will come to know Christ through this ministry.

But not only are we reaching out to children, but to families as well. This past spring we were able to help The Scott Mission renovate their new O'Connor Family Centre in East Toronto. The Scott Mission is a warm and loving place that ministers to both children and their families as a whole. It is a blessing to stop and think that through your gifts, you are giving families across Canada the means and ability to grow and be strengthened in Jesus' name.

Ever since CBA began in 1974, it has been our mandate to preach the gospel through the media, to touch the lives of the hurting, the destitute and the

lonely, and to strengthen the heart of Canada for God. It is your partnership with CBA that makes all of this possible. With you by our side, we can continue to work for God's glory and to make Him known across the nation and into the far corners of the world.

Bring It On

Pat Robertson answers your questions

Some Christians give the impression that God has given us creative power with our words. Can we really speak something into existence?

Jesus said: *If you have faith and do not doubt ... if you say to this mountain, "Be removed and be cast into the sea," it will be done. And whatever things you ask in prayer, believing, you will receive* (Matthew 21:21, 22).

Throughout Scripture, we can find incidences of God speaking things into existence. If we look at the origin of this universe, it was the spoken Word of God that brought it to pass. We read again and again in Genesis, God said, "Let there be..." and it happened according to His Word. Power flows from the creative mind of God to the Spirit of God, to the spirit of man, to the mind of man, and to the mouth of man. God's thoughts will be transmitted by the Holy Spirit to our spirits, and if we speak them forth, things will begin to take shape and change.

The way I've seen healings take place has been to speak the word, to command storms to cease. Jesus spoke to the waves. He said, "Peace, be still."

Agreeing with God's Word, and speaking to our circumstances is not a "name it and claim it" game of "let's see what we can get from God." We are not talking about magic, formulas, tricks, or games; we are talking about the power of God having real results in our everyday lives according to clearly announced biblical teachings.

Christ's Dominion

by BRIAN WARREN
Co-host, *The 700 Club Canada*

Happy Canada Day! July 1, 2013 marks the 146th birthday of "The Dominion of Canada." Jesus, in His earthly ministry, spoke a lot about dominion: *But seek first the kingdom of God and His righteousness, and all these things shall be added to you.* (Matthew 6:33 NKJV). In fact, we live in a time in world history when we have seen many kingdoms come and go. Revelation 11:15 NIV says, *The kingdom of the world has become the kingdom of our Lord and of his Messiah, and he will reign for ever and ever.* But how does that aid me in my corner of Canada?

Great question! As a citizen of "Christ's Dominion," here on earth, you have rights, and when those rights are threatened it is the military that is called to serve and protect, not the citizens. The standard emergency number in Canada is 911. Once 911 is dialed, a dispatcher will ask, "What is the problem and what is your location?" Then in minutes, depending on the traffic, a dispatched vehicle with flashing lights and a siren indicating "no interruption" arrives.

In the kingdom, we have the same promise of immediate response; our emergency number in heaven is "PRAY"! Keep praying partners; we don't have to stress. Our king and His army of angels are faithful.
