The Gate to Glory

by MICHAEL LITTLE
Chairman, The Christian Broadcasting Associates

On the cover of *Frontlines* is the Eastern Golden Gate, which stands as a prophetic reminder of Jesus' Second Coming. Our Saviour passed through ancient Jerusalem's Eastern Gate as He walked from the Mount of Olives to the Temple.

In the 1500s, it was walled up as a vain attempt to prevent the Messiah's return. This fulfilled Ezekiel 44:2 – it is to remain shut until the Lord, the God of Israel, enters through it. Those gates will open when Jesus descends from heaven, for Ezekiel 44:3 promises, *The Prince Himself ... is to enter ... the gateway.*

May God bless you for standing with us as we prepare the world for that great day when the Prince of Peace returns in glory!

Scripture is quoted from the NIV.

The Last Prophetic Feast

BY PAT ROBERTSON

In the book of Leviticus, we find that God specifically directed Moses concerning three major feasts that correspond to the agricultural seasons: the Feast of Passover, the Feast of Weeks, and the Feast of Tabernacles. As we read the New Testament, we discover that all these feasts must be fulfilled before Jesus Christ finishes His work on earth.

The Passover

The first festival, the Passover, was fulfilled when our Lord was crucified. The Apostle Paul told us that *Christ, our Passover Lamb, has been sacrificed for us* (1 Corinthians 5:7). It is, therefore, by His shed blood that we are covered, and our sins are remembered no more. Even as the angel of death passed over the homes of the Israelites who had applied the blood, when God sees the blood of Jesus applied to us, He “passes over” our sins.

The Feast of Weeks

Fifty days after the Passover was the Feast of Weeks. In Greek, the festival was named Pentecost since *pentē* speaks of the 50th. It was on the celebration of this day that the power of the Holy Spirit descended upon 120 believers gathered in an upper room, and they were filled with the Holy Spirit. In Christ, those followers of Jesus became God’s instruments to begin to bring in the final harvest (1 Corinthians 15:23).

The Feast of Tabernacles

But what of the Feast of Tabernacles? We are now in that time of year when our Jewish friends celebrate the end of the agricultural season, and the transition to the new year. It begins with Rosh Hashanah, which means “head of the year.” It speaks of the end of one agricultural year, the fulfillment of the last harvest, and the beginning of the new. Then comes Yom Kippur, the Day of Covering, or Day of Atonement. This is when the

High Priest would go into the holy of holies and sprinkle blood on the mercy seat, which covered the Ark of the Covenant, for the covering of sins. The New Testament tells us that Jesus Christ was our covering for sin. He is our “lid of covering, our mercy seat.”

Five days after this Day of Atonement comes the Feast of Tabernacles. What is God telling us in this? After the Day of Atonement, there were 5 days to gather in the final harvest. In the Bible, the number 5 stands for “grace.”

I believe we are now in this period of grace – the final harvest – before the last prophetic feast is fulfilled.

Waiting for Fulfillment

This is why we emphasize the Feast of Tabernacles at *The 700 Club*. I believe it is the only feast that was not fulfilled in the New Testament. Passover had a fulfillment in the crucifixion of Jesus. The Feast of Weeks had a fulfillment in Pentecost. But there has been no fulfillment of the Feast of Tabernacles. Why not? Because it speaks of the Second Coming of Jesus. And when He comes, He’s going to set up a magnificent kingdom where there will be no sorrow, no death, no crying, and no pain. And we will reign and rule with the Lord forever and ever.

I believe God has chosen our ministry as one of the vessels He is using to bring about a tremendous harvest of souls while there is still time. And then judgment will come on the earth. The Bible says that when Jesus returns, He will give His faithful servants leadership in His kingdom. We each look forward to hearing Him say, “Well done, My good and faithful servant.”

Thank you for being part of this ministry, for being a co-labourer in the Gospel. As we consider the time of the Feast of Tabernacles, let the anointing of the Holy Spirit prepare us for that which the Lord is going to do throughout the earth.

The Far North

The road to revival

by **GEORGE WOODWARD**
President of The Christian Broadcasting Associates

We are now focusing our prayers on the northwest regions of our great country – the Yukon, Northwest Territories, and Nunavut. This large land mass represents just over 100,000 people. God loves them, and I believe that He will use them mightily in the coming revival.

But sadly, the poverty, unemployment and suicide rates across the North far exceed our national averages. This is a grave concern to us, and I am certain that it grieves the Lord. You and I have an obligation to bless our Inuit and First Nations brothers and sisters. Our Lord says, *When you did it to one of the least of these My brothers and sisters, you were doing it to Me* (Matthew 25:40).

Please pray that revival will come to the political and tribal leaders of the North and quickly spread through every community.

Thank you for joining with us as we believe God for His perfect will to be done in the North: *Not wanting anyone to perish, but everyone to come to repentance* (2 Peter 3:9).

Pray for The 700 Club

We are asking for intercessors

by **GORDON ROBERTSON**
Chief Executive Officer of The Christian Broadcasting Network

Here at *The 700 Club*, autumn is a time of preparation and prayer. On Rosh Hashanah, the start of the Jewish New Year, we dedicated ourselves to a time of intercession for this ministry and for our partners.

This year, the Lord has impressed upon me the need to call intercessors to pray for *The 700 Club*. Our mission is to prepare the nations of the world for the coming of Jesus Christ. When the Gospel has been preached to every tribe, tongue and nation, the end will come.

We're asking you, our partners, to commit to pray for the specific needs of CBN and CBA. Every weekday, we bring the truth of the Gospel to North America through *The 700 Club*. Every day, we air Christian programs in Africa, Asia, the Middle East, and Central and South America.

In the former Soviet Union, we have planted tens of thousands of cell churches, and, recently, we started

broadcasting in Nepal, one of the world's most closed nations to the Gospel. We are taking back territory from the enemy, sharing the name of Jesus with those who have never heard it. That's why we need to be diligent and intentional about prayer.

We're asking you to pray for our staff around the world, for the hosts of the programs we produce, and for all of our families. We're also asking you to pray for our new animated *Superbook* series.

Right now, teams in Virginia Beach, Nashville, California, Canada and China are working together on this extraordinary project to bring the Word of God to millions of people.

Join with us as an intercessor, one who prays on another's behalf. There is a special link on CanadianEdition.com where you can sign up to pray for *The 700 Club*.

Together, let's bind the enemy and loose the provision, wisdom and creativity we need to complete the tasks set before us. Habakkuk 2:14 says there will come a time when *the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea*. What an amazing privilege it is to have a part in ushering in this great and awesome day.
