# God is very near

If you have trusted Jesus Christ as your Lord and Saviour and have received salvation by believing that He died on the cross and rose again in payment for your sin, you have been born into God's family. You are His child and have become a partaker in all the wonderful promises of God to His children.

His love for you is beyond measure and His commitment to care for you will never end. How wonderful to know that the all-powerful God of creation has given you His promise to protect and rescue you.

The dictionary defines the word *protect* as: to keep safe; to keep from harm; to shield; preserve; shelter; defend; to look after; to take care of; to guard from attack; to shield from danger, loss, or injury. And, when we look at the definition of the word *rescue*, we find: to save from a dangerous or distressing situation; to bring someone out of danger, attack or harm.

In our world today, you and I are facing all kinds of threats and distress. Whether it's concerns for our health, our loved ones, our finances, our communities, our country, or the lost who don't know Jesus—we feel the effects of living in this fallen world.

Along with the adversity and troubles that can come our way, God is always at work, training us to trust Him and conforming us to become more like Jesus.

When life gets challenging, cling to these promises. Pray them back to God. You can strengthen your faith by reading them aloud and reviewing them often. You will find God is very near and He will protect and rescue you as you call on Him.

For he will rescue you from every trap and protect you from deadly disease.
