# The Unchanging Word

by BILL MARKHAM

Co-Host, *The 700 Club Canada*

Who or what can you trust in this world that is constantly changing?

The Apostle John, in his Gospel, wrote a response to a turbulent

time in history where things were changing rapidly. The government had become corrupt, self-interested, and unstable. The social constructs were eroding, and the religious climate was becoming increasingly hostile. In these troubled times John reminded his readers that there was an unchanging truth that they could trust—in a world that had become untrustworthy. In John 1:1 we read, *In the beginning was the Word, and the Word was with God, and the Word was God.*

We live in a world full of words. Words are powerful. The average person hears 20-to-30,000 words a day and these words shape who we are and who we become. Words can be used as tools to build or weapons to destroy. Into this reality, John boldly states there is a Word that we can trust above every other word because it is unchanging. This Word was “in the beginning” and so not even time can change it. As a matter of fact, every word we know and express is a synonym or antonym to this Word. It is this Word that gives meaning, direction, order, and salvation to those who are willing to hear and accept it.

John goes on to explain that this Word has a name... He is Jesus, the Son of God (John 1:14).

Why is this important? Because John reminds us today that there is a Word that you can trust in a world that is constantly changing. He *is the same yesterday and today and forever* (Hebrews 13:8).

# STRENGTHENING YOUR IMMUNE SYSTEM

*Simple ways to restore health*

As COVID-19 continues to mutate, creating more and more variants, there are things we can do to protect ourselves. The most natural way to fend off any illness is to build our immune system. This can protect us from colds, viruses, and the flu. But how exactly do we develop strong immunity?

Dr. Bob Lahita, author of *Immunity Strong: Boost Your Natural Healing Power and Live to 100*, says some people inherit a strong immune system, but the rest of us have to work at it. That means managing our stress. “Stress is probably the most adverse influence that the immune system has,” he explains.

Lahita recommends getting enough sleep and taking some time for yourself each day. He suggests getting at least six to seven hours of sleep per night and seeing your physician if you are having trouble sleeping.

Gut health also impacts our immunity. “Right now, it’s a very popular thing to use prebiotics and probiotics. Basically, what you’re doing is making sure that you have friendly bacteria to restore the flora, or the bacteria, in your gut,” says Lahita. Ideally though, he mentions we should be getting probiotics and prebiotics from our diet by including yogurt and fermented foods.

Our lifestyle has a lot to do with having a healthy immune system, so he also recommends getting enough socialization, avoiding drugs and excessive alcohol, and only taking antibiotics when necessary because they destroy the good bacteria that help us fight infection. But as always, talk to your doctor before making any changes.

*Did you know that getting enough sleep can strengthen your immune system?*

# 700 CLUB CANADA CONTINUES TO SEE THE BENEFITS OF SUPERBOOK!

*Kids of all ages enjoy learning about God through Superbook!*

As many of you know, CBN brings the stories of the Bible to the children of the world through Superbook: animated video series, church curriculum, Bible app, and more. 700 Club Canada partners have embraced this, and Superbook continues to be an effective way to share the message of God's love in a way that is entirely relatable to children across Canada.

**Superbook®**

Now that the summer has officially arrived, we see Superbook being used not just by parents, but at summer camps, day camps, vacation Bible schools, and with partner

ministries such as Metro Kids Society in Surrey, BC. Through that organization, each child at their Sidewalk Kids Klub summer outreach will be given a Superbook DVD. We also partner with them on their Backpack Buddies project and supply a Superbook bag and DVD to be added to each of their backpacks.

Deborah, one of our partners from Eastern Ontario, has been using the Superbook resources for a few years to reach children and their families in the surrounding communities. Through a variety of activities that includes watch parties, games, painting activities, and family days, she can reach hundreds during Easter, the summer, and Christmas. Deborah and her team have big plans for the future, and as she says, “Thank you, 700 Club Canada, and Superbook, for helping make this happen in our community. Children are being reached as a result of your materials, prayer and encouragement.”

Scripture reminds us how important it is to bring children into a relationship with God:

*Then people brought little children to Jesus for him to place his hands on them and pray for them. But the disciples rebuked them. Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.”*

(Matthew 19:13-14 NIV)

There is no doubt that Superbook is one of the most effective evangelism tools ever used by CBA. We want to do as much as we can to introduce the truth of God’s Word to children, and that includes two new productions from CBN Animation: *GizmoGO!* for younger audiences, and the *Fruit of the Spirit* series. Thanks to your support, an entirely new generation will be introduced to the Bible in a fun and captivating way.

In Canada, we want every child to learn about God’s love and understand that even at a young age, they can have a relationship with Him.

Thank you for helping to give that message in creative and effective ways!

May God bless you.

Generous partners help share the Gospel with children.

## The Bravest Choice

by LORIE HARTSHORN

Co-Host, *The 700 Club Canada*

There’s a lot of pressure in our world to do something that matters—something that will make a difference. Maybe

you feel like you go about your everyday life and nothing you do really matters. I’m sure that’s how Shiphrah and Puah felt. You ask... who? We read in Exodus 1:15-17 a brief account of two midwives: Shiphrah and Puah. Maybe they didn’t think they were doing anything special as they went about their everyday lives, helping women give birth to their babies, until one very fateful day.

**Then Pharaoh, the king of Egypt, gave this order to the Hebrew midwives, Shiphrah and Puah: “When you help the Hebrew women as they give birth, watch as they deliver. If the baby is a boy, kill him; if it is a girl, let her live.” But because the midwives feared God, they refused to obey the king’s orders. They allowed the boys to live, too. (NLT)**

These women were given orders by an evil king who felt threatened by the growing numbers of the Israelite people. His solution was to kill all the baby boys! We see in these few verses that Shiphrah and Puah made a very brave choice. They refused to obey the king’s orders and let the boy babies live. Why? They were more concerned about pleasing God than obeying the king.

Here were two relatively unseen women who essentially saved a generation of lives.

No matter what your status in society is, this is a lesson for all of us. Let’s live each day more concerned with pleasing God than anyone or anything else. Who knows? You may have a part in saving a generation!

## No heirs? Options for planning your estate

So much information about wills and estate planning involves strategies and tools for those with heirs. However, it is important that everyone has a will that reflects their life and faith—and those without heirs have many options to consider. Our partners at ADVISORS with Purpose will help you think through those options and ensure that your will leaves a legacy that affects generations to come.

# THE GLORIOUS PROMISE OF GOD'S GOVERNMENT

*You are ... a holy nation ... that you may proclaim the praises of Him who called you. —1 Peter 2:9*

by GORDON ROBERTSON  
Chairman of the Board, CBA  
President and CEO, CBN

The Lord's Prayer ends with a marvelous doxology in Matthew 6:13: *"For Yours is the kingdom and the power and the glory forever."* Its history traces back to David's prayer in 1 Chronicles 29:10-11:

*"Blessed are You, LORD God of Israel, our Father, forever and ever. Yours, O LORD, is the greatness, the power and the glory, the victory and the majesty; for all that is in heaven and in earth is Yours; Yours is the kingdom, O LORD."*

The kingdom belongs to God—so when the King of kings returns, He's not coming to take sides. He's coming to take over!

Yet when He establishes His government, it won't be a dictatorship, for God likes to share. As Christians, we are a royal priesthood and joint heirs with Christ.

Democracy is a very old concept, predating America and the city states of Greece. After Daniel was taken captive from Judah to serve in Babylon, he prophesied of a time when the Ancient of Days would give all authority

to the Son of Man. Daniel 7:27 says, *"Then the kingdom and dominion, and the greatness of the kingdoms under the whole heaven, shall be given to the people, the saints of the Most High."*

How amazing to think that the Son of Man gives everything to the saints of God! As Revelation 5:9-10 tells us, *"You ... have redeemed us to God by Your blood out of every tribe and tongue and people and nation, and have made us kings and priests to our God; and we shall reign on the earth."*

It is God's good pleasure to give us the kingdom. So let's receive this precious promise, along with the responsibility that comes with it. He has entrusted us with the great task of preaching His glorious Gospel to every language—that He may redeem all those purchased by His precious blood. God bless you!

*Excerpted from a teaching at CBN Staff Chapel. Scripture is quoted from the NKJV.*
