A Blueprint for Community

by BILL MARKHAM
Co-Host, *The 700 Club Canada*

In a society increasingly shaped by individualistic pursuits and ambitions, the fundamental human craving for community and belonging is in jeopardy. In this “me-centric” culture, there’s a profound hunger to be known, supported, and secure in our identities.

Drawing from the biblical narrative of the Last Supper as recounted in Matthew 26, we witness Jesus challenging this self-centred mentality through a profound act of humility: washing His disciples’ feet and sharing a meal with them. This gesture exemplifies a radical way of living together—one characterized by selflessness and service. However, despite Jesus’ demonstration of love, the disciples’ selfish ambitions surface, leading to betrayal when their expectations are not met.

Scripture reveals the consequences of such selfishness: deep isolation and loneliness. Studies affirm this reality, with one in every two adults admitting to feelings of loneliness, often linked to mental health issues and even premature death. Judas’s tragic end, Peter’s remorse, and the disciples’ despair after the crucifixion epitomize this anguish.

Yet, the remedy lies in the very act Jesus performed at that sacred table—the Lord’s Supper. Through participation in the bread and cup, symbols of Christ’s body and blood, we are brought into communion with God and one another. In the cup, we find redemption through Christ’s sacrifice, reconciling us to God. In the bread, we discover our belonging within the body of Christ, where our true identity flourishes within God’s community.

The Lord’s Supper calls us to embrace life together, dismantling barriers and ushering in the kingdom of God—a realm where every individual matters to God.

Leaving a Legacy: Your Role as a Mother

by Maria Schleicher

Digital Copywriter, CBN

On Mother’s Day, we honour women and their unique calling to serve. Whether you’re a biological mother, stepmom, godmother, or spiritual mother figure, your influence in the kingdom of God is profound. It’s a privilege to fulfill this role!

Take heart and continue following Jesus in your motherhood journey. Your position is irreplaceable, chosen by God for a purpose.

Your legacy will shape future generations. Regardless of your current faith or circumstances, through Christ, you can make an impact (Philippians 4:13). Seek His guidance and prioritize Him above all else, including your children.

Know that the God who created the universe sees and loves you. He will equip you in your weakness (Isaiah 41:10) and direct your path (Hebrews 12:2).

So, women, on Mother’s Day and beyond, find strength in Jesus, who defines your identity and purpose. Trust that God has placed you where you are for His plan (Esther 4:14).

Father, we thank You for these women serving in motherly roles. Strengthen them to lead their families and communities with grace. Help them find their worth in You and leave a lasting legacy of faith. Grant them wisdom and peace as they navigate their journey. We honour them not just today but every day. Amen.

For those facing challenges today, we offer a special prayer for comfort and healing.

Father, I humbly ask You to draw near to those grieving today. Please bring them comfort and peace. Let them feel Your love and support. Heal their heart. Let them know they aren’t alone. Please remind them of how much You love them. Amen.

YOUR COMMITMENT TO ISRAEL HELPS TRANSFORM PRECIOUS LIVES

700 Club Canada partners are standing
with the people of Israel in their time of need

For centuries, the people of Israel have been targets of persecution, discrimination, and terrorism. Today, the nation desperately needs our unwavering support as it continues to face the cruel hostility of its sworn enemy, Hamas.

Despite Israel's determination to remain free, its citizens constantly live under the dark shadow of danger and potential annihilation. On October 7, 2023, Hamas tortured and murdered over 1,400 Israeli men, women, and children. The terrorist group now vows to repeat that massacre again and again until Israel ceases to exist. Hamas hides among Israeli citizens, freely roaming Israeli streets and plotting wickedness.

Your faithful support does not go unnoticed. Because you and other fellow partners long to help, our ministry partners are bringing comfort to those who are traumatized, the sick and elderly, Holocaust

Worthy of Our Worship

by EMILY JAMES

Co-Host, *The 700 Club Canada*

In John's Gospel, Jesus declares, "**God is spirit, and his worshippers must worship in the Spirit and in truth**" (John

4:24 NIV). This sets the tone for the kind of worship Jesus is truly worth. Our worship is meant to go beyond rituals and traditions and come from a place of adoration and devotion. These words were given by Jesus to the Samaritan woman. She was taught that you could only worship God on a special mountain. Jesus was helping her see that true worship didn't require external conditions but an intimate relationship with God.

Reading this verse, the question that comes to mind is: Does my life exemplify a worshipful lifestyle that truly honours the worth of God?

The key word is *lifestyle*. God deserves worship that extends beyond the confines of the church walls. It encompasses our daily lives, emphasizing acts of love towards others. It is shown through tangible expressions of kindness and mercy, mirroring the love Jesus demonstrated during His time on earth.

True worship is a sincere and authentic expression, motivated by our profound love for God. To know God is to love Him; therefore, as we continually discover the depths of His character by growing in a greater understanding of His Word, our hearts naturally overflow with genuine worship for Him.

The worship God is truly worthy of is characterized by a lifestyle of surrender to His truth, a heart of adoration for God, and love and compassion for others. May our worship reflect the immeasurable worth of the one true God.

survivors, single mothers with little ones, and many others in harm's way. Our ability to provide shelter, meals, household items, and other essentials means everything to these terror victims and displaced families. That's why your partnership remains crucial.

INTERNATIONAL FELLOWSHIP OF CHRISTIANS AND JEWS OF CANADA

The International Fellowship of Christians and Jews of Canada denounced the brutal attacks on Israel by the terrorist group Hamas. The Fellowship has been building bridges of understanding between Christians and Jews for 40 years, and uniting them to support Israel's people in need. It is time for friends of Israel to reaffirm our support, and to invite others to extend a compassionate hand to Israel and her people.

They continue to pray for Israel, to stand with Israel's people in their time of need by providing them with emergency essentials, and to support Jews in need worldwide.

LEKET CANADA

Leket Canada's staff and volunteers collect donated, excess, nutritional food that would otherwise be discarded from Israeli food producers. The food is then redistributed free of charge to nonprofit organizations throughout the country caring for a range of at-risk population groups including the elderly and invalid, the working poor, and vulnerable children.

The food rescue activities focus on four projects:

- Rescue of prepared meals from corporate cafeterias, restaurants, malls, and banquet halls
- Rescue of B-grade produce from packing houses
- Rescue of perishable manufactured products from food manufacturers
- Rescue of excess agriculture through Project Leket, an initiative that sends volunteers into fields and orchards to gather produce left to rot by farmers

This crucial work continues and remains a critical part of Leket's service to the people of Israel following the attacks on October 7, 2023.

Thanks to our faithful partners, we can demonstrate God's love to men, women, and children affected by the attacks on October 7. We can feed the poor and needy, provide access to clean water, extend medical care to the sick and injured, and proclaim the Gospel of Christ.

Faith Is the Title Deed

by GORDON ROBERTSON
President and CEO, CBN

Why did Jesus come into the world? He declares in John 10:10, *“I have come that they may have life, and that they may have it more abundantly.”*

He also tells us, *“If anyone thirsts, let him come to Me and drink. He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water”* (John 7:37-38).

These are promises that you can hold onto today.

In addition, Hebrews 11:1 says, *Now faith is the substance of things hoped for, the evidence of things not seen.* In the original Greek, the word for substance can also mean a title deed or a blank cheque—it’s the representative or the instrument. You have a promise, and it’s the title deed of what you are hoping for.

If you own a house, you have a title deed recorded in a court of law. As a believer, you have a title deed to God and to His promises. You can hold that title, write

in what you want from His Word, and God will stand beside it to honour it.

He wants rivers of living water to flow from your inmost being. He wants to save you, heal you, and deliver you. He wants to be your provider. He wants to do these things in your life and in your body, just as His will is done in heaven.

We have His assurance in Jeremiah 30:17, *“For I will restore health to you and heal you of your wounds,” says the LORD.*

So write out that title deed and say, “Yes, I want this because my Father in heaven has promised it.” Let all doubt and fear be gone, and let faith invade your heart and your mind. Pray this in faith, and just see what He can do!

God bless you.

From a teaching on The 700 Club. Scripture is quoted from the NKJV.
